Caluco outdoor furniture is crafted of high-grade materials chosen for beauty, strength, durability and long-term performance in all weather conditions. We use superior quality aluminum (cast and tubular) and Grade A kiln-dried Indonesian teak from sustainable sources.

We reimagine rattan and wicker styles that avoid maintenance issues with our own sustainable all-weather resin wicker. Our cushions feature industry leading high performance textiles that resist staining, fading and mildew. Our design process, quality control procedures and material selection allow Caluco to offer an unprecedented 10-year warranty for our aluminum furniture and 3 years for our teak and resin wicker.
